East Japan Railway Company

**JR East's announcement regarding the agreement in principle
of Japan-EU EPA**

Railway operators and suppliers of Japan and EU have enhanced mutual understanding and promoted transactions taking advantage of the occasions such as the Railway Industrial Dialogue. We believe that trusted relationship will be further enhanced and opportunities of the transactions will be expanded.

We are committed to provide a high-quality service for our customers. In line with this objective, our company, in a non-discriminatory manner, has procured best-value-for-money products with sufficient after-sales services. In accordance with the code of conduct which is available on our website, we will continue to seek high-quality technology, goods and services for the advancement of railways.
