

European Suppliers Tour

INVITATION

3rd JR East European Suppliers Tour

16 May 2017 / Munich, Germany

18 May, 2017 / Brussels, Belgium

The internationalization of procurement is a priority for East Japan Railway Company (JR East), which is looking for high-class products and technologies developed by European railway manufacturers.

Building on the success of the past two editions of the JR East Suppliers Tour in 2015 and 2016, JR East is pleased to invite you to the **third JR East Suppliers Tour**.

Through the past two editions of the JR East Suppliers Tour, as well as on many other occasions, **JR East has engaged in expanding business relations with European suppliers**. This will be yet another opportunity for European suppliers and JR East to discuss **business opportunities**.

This year's edition will focus on **bilateral meetings** on various topics including - but not limited to - **rolling stock, track and signalling**.

Programme

- **Registration opens as of 9:50 (coffee and refreshments will be provided all day)**
- **10:00-13:00 Bilateral meetings**
- **14:30-17:30 Bilateral meetings**

REGISTRATION IS FREE OF CHARGE

Japanese, German and English interpretation will be available in Munich
Japanese and English interpretation will be available in Brussels

For registration

Please register [here](#) before **31 March 2017**.
