

JR EAST Travel Service Center will open in Shinjuku Station

~A new center aimed at visitors to Japan from overseas
will open at Shinjuku Station's New South Gate~

The number of visitors to Japan from overseas this year has already exceeded 11 million, exceeding last year's numbers, which were the highest ever. In order to provide services to meet the needs of foreign tourists visiting Japan, who are expected to further increase in number in the future, we will be opening a new JR EAST Travel Service Center inside Shinjuku Station.

We will continue to improve our centers aimed at visitors from overseas, and help you to enjoy a comfortable holiday in Japan.

1. Overview of the center
