

New Fares and Use for Green Cars Added to Local Trains

- Passengers will be able to use the Green Cars with commuter passes.

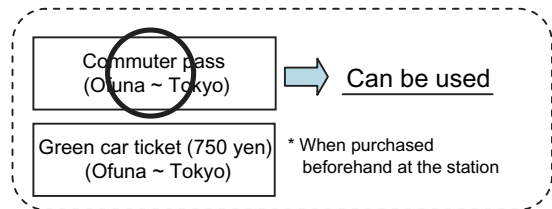

→ Commuter passes that previously have not been available are now possible to use.

Example: When a passenger with a commuter pass between Ofuna and Tokyo uses a local train Green Car

Current: Available for 1,530 yen.

Revised: Available for 750 yen.

- The Green Cars fares will be revised.

-
- The former 4 fare steps set every 50 km will be revised to 2 fare steps set by 50 km.
 - In addition to the regular fares for weekday use (weekday fares), bargain fares (holiday fares) have also been set for weekends, holidays and the New Years holiday season (December 29 to January 3).
 - Advance fares for purchase at the station and cabin fares for purchase within the Green Car have been set.

* Passengers are recommended to purchase Green tickets beforehand at the station when using a Green Car.

Current Green Car fares for local trains

up to 50 km	up to 100 km	up to 150 km	151 km or more
750 yen	950 yen	1620 yen	1900 yen

New Green Car fares (for advance purchase)

	Up to 50 km	51 km or more
Weekday fare	750 yen	950 yen
Holiday fare	550 yen	750 yen

Note: Cabin fare

When purchasing a Green ticket after boarding the Green Car, the fare is 250 yen more than the advance fare (the fare for tickets purchased at the station) for both weekday and holiday fares.

Example: When using a Green Car connected to a local train between Ofuna and Tokyo

Weekday fare

	Current	Revised
Purchased in advance (at the station)	750 yen	750 yen
Purchased in the cabin		1000 yen

Holiday fare

	Current	Revised
Purchased in advance (at the station)	750 yen	550 yen
Purchased in the cabin		800 yen

* In conjunction with this fare revision, the priority seating system that gives seating priority to passengers with advance purchased Green tickets during the morning and evening rush hours has been abolished.

- Green commuter pass prices will be reduced.

→ Green commuter pass prices will be reduced to make Green Cars even more affordable. With a Green commuter pass, time-consuming purchase of a Green ticket each time will be cut.
