(Upper row: Basic fare, one-way; **Middle row: Express train charge (reserved seat, normal season)**; Lower row: Total fare)

- Basic fares are the regular one-way fares applicable to Shinkansen passengers.
- Express train charges refer to charges for reserved seats in ordinary cars in non-peak periods. During the off season, charges are discounted by ¥200, and during the peak season they are increased by ¥200.
- For non-reserved seats and standing passengers, express train charges are discounted by ¥510 from the charges for reserved seats during normal seasons.
- Express train charges for the sections in *italics* (between adjacent stations) are scheduled to be set at ¥840 for non-reserved seats and standing passengers. (Charges will be reported after approval is received).
- Express train charges for passengers using a Green Car will be reduced by ¥510 from the charges for passengers in reserved seats during the normal season.
