

## ■ A-Factory Store Guide

Aomori-based companies offer food items and sweets made using carefully selected ingredients grown in Aomori Prefecture.

	Store name	Company name	Type of business	Details
①	Boulangerie Sevres	Sevres Co., Ltd.	Bakery	A town bakery popular among locals for its painstaking attitude to its products, each one of which is baked with love. The Boulangerie Sevres continuously creates new products using carefully selected ingredients produced in Aomori Prefecture, including red bean buns containing lees from Denshu sake and pies made from apples and other locally grown fruits.
②	ARPAJON Le Pommier	Arpajon Ltd.	Sweets	Making use of its considerable experience to date, ARPAJON is aiming towards a new stage of its development, creating sweets that will be original to A-FACTORY. In addition to fresh-baked pies and tarts using ripe Aomori apples, ARPAJON's customers can enjoy unbaked cakes full of seasonal Aomori Prefecture fruits.
③	SKIP EGG	Tokiwa Village Poultry Farming Agricultural Association	Sweets	Aomori sweets using fresh eggs from the Tokiwa Village Poultry Farming Agricultural Association, which is dedicated to raising chickens naturally, without the use of battery cages. Baumkuchen, quiches, tarts... You will taste the quality of the ingredients in these fresh-baked Aomori sweets!
④	AOMORI SOUP	Amber Co., Ltd.	Soup	Using seasonal fish from the sea around Aomori and lovingly tended vegetables direct from local farms, this store offers customers Aomori's seasons in soups. Cooked to perfection and retaining the texture of their ingredients, these soups are really Aomori in a bowl.
⑤	Sushi Ippachi	Ippachi, Ltd.	Sushi	Aomori City's famous Ippachi Sushi comes to A-FACTORY. Well-regarded for its fresh ingredients and reasonable prices, Ippachi Sushi wants to provide its customers with a more "at home" sushi experience. While still offering its familiar <i>nigiri zushi</i> (hand-roll sushi), it has expanded its menu to offer a range of dishes that customers will love, including a seafood rice bowl.
⑥	Grill Saffran	Towada Meat Co., Ltd.	<i>Bara yaki</i>	With a wealth of experience as a meat wholesaler, Towada Meat Co., Ltd. offers a range of meat dishes using ingredients including shorthorn beef and shamrock chicken from Aomori Prefecture. Customers will enjoy the Grill Saffran's rich menu of meat dishes, from the <i>bara yaki</i> that is popular in Towada City to beef rice bowls and chicken and egg rice bowls.
⑦	Food Marche	JR East Aomori Commercial Development Co., Ltd. (direct management)	Market	Many of the ingredients used in restaurants of Tokyo metropolitan area actually come from Aomori, and the Marche brings together fruits and vegetables from farms known to those in the trade and groceries made from these ingredients. Discover a new facet of Aomori while hunting for treasures!
⑧	Galetteria Da Sasino	Da Sasino	Galettes	Shop produced by Sasamori Chef specializing in handmade galettes using buckwheat flour from Aomori. Based on the concept of enjoying galettes together with cider, the restaurant offers a new approach to Aomori cuisine.
