

TOKYO 2015
HIGHSPEED
9th World Congress on High Speed Rail

International Union of Railways (UIC)
East Japan Railway Company (JR East)

7 July 2014

Just 1 year to the 9th UIC World Congress on High Speed Rail in Tokyo

- It's just 1 year to the 9th UIC World Congress on High Speed Rail (HSR) organized by International Union of Railways (UIC) and East Japan Railway Company (JR East).
- This 9th meeting of the UIC World Congress on HSR in Tokyo will be a once-in-forever opportunity for policymakers, authorities, the railway industry, railway companies, research institutes, and others to review the past half century and to view the future half century of HSR worldwide.
- Today we are pleased to start the call for exhibitors. UIC and JR East are looking forward to your entry to this precious opportunity to connect with all the people involved in HSR from throughout the world.

1. **Congress dates** **7 - 10 July 2015**
(The exhibition will be open 7-9 July 2015)
2. **Venue** **Tokyo International Forum (www.t-i-forum.co.jp/en)**
3. **Participants** **More than 1000 people involved in HSR are expected**
4. **Congress theme** **Celebrate the past, Design the future**
5. **Advance schedule**
 - 7 July 2014 Start of call for exhibitors (closing on 30 January 2015)
