Join our bus tour and enjoy the culture of Japan!

Shibayama Nison Temple

Suiko Sawara Dashiki Kan and strolling the streets of Sawara

*Photos and pictures are for illustrative purposes only.*
A short trip for experiencing history! Fully enjoy Japanese culture and also find some souvenirs!

Wander into the world of the Edo period! Enjoy wearing kimonos and ninja outfits

Experience the traditional fermented food culture of Japan: Making miso balls

Hakkono-Sato Kozaki Roadside Station
A unique roadside station dedicated to fermentation, Kozaki is a town of fermented food that has been produced since ancient times. Enjoy the many flavors of fermented foods collected from throughout Japan.

Boso-no-Mura
Boso-no-Mura is a unique museum that allows visitors to experience the traditional lifestyle and crafts of the Boso region. The facility reproduces a village from the Edo period with a town square and 17 buildings including various stores and traditional Japanese homes.

Sugio Sawara Dashi Kaikan and strolling the streets of Sawara
A facility that exhibits the festival of the Sawara Grand Festival, a UNESCO cultural heritage. The festival is held in late August and features traditional Japanese dance and music.

Sibayama Nison Temple
A Tendai sect Buddhist temple with a thatched roof-style building in the town of Shibayama in Chiba Prefecture.

Tako Ajisai-kan Roadside Station
A roadside station standing on the picturesque banks of the Kiyosumi River. Local tako rice and vegetables harvested in the early morning are available for sale along with processed foods such as rice, pickles, and souvenirs. The restaurant also has tako, a Japanese dish made from rice, kamaboko, and takoyaki.
