

Expectation of procurement in FY 2025.3
【Electric related goods】

No.	Category	Item Name	Quantity	Unit
31102	Breaker equipment	Gas circuit breaker	10	Piece
31105	Breaker equipment	High-speed circuit breaker	6	Piece
31107	Breaker equipment	Vacuum circuit breaker	60	Piece
31201	Capacitor	Capacitor	5	Piece
31302	Power convertor	Rectifier for electric railway	10	Set
31504	Generator and substation equipment	Internal combustion generator	2	Set
31505	Generator and substation equipment	Generator components	450	Set
31760	Other device for generator and substation	Test device	1	Piece
32101	Transformer for generator and substation	feeding transformer	1	Piece
32102	Transformer for generator and substation	High voltage transformer	100	Piece
32104	Transformer for generator and substation	Control transformer	7	Piece
32105	Transformer for generator and substation	Conversion transformer	10	Piece
32108	Transformer for generator and substation	Extra high voltage transformer	2	Piece
32109	Transformer for generator and substation	Booster transformer	5	Piece
32110	Transformer for generator and substation	Insulation transformer	2	Piece
32209	Transformer for signal	Lightning protection transformer	100	Piece
35289	Connection equipment	Transmission line feeder cable connection equipment	240	Set
36103	Communication cable	Outbound cable	20,560	M
36106	Communication cable	Optic fiber cable	121,900	M
36203	Signal cable	Vinyl cable for signaling system	10	M
36204	Signal cable	Polyethylene cable for signaling system	10,000	M
36304	Power cable	Cross-linked polyethylene power cable (high voltage)	29,990	M
36401	Insulated cable	Cross-linked polyethylene cable	3,690	M
36502	Bare wire	Hard drawn aluminium wire strands	50	M
36503	Bare wire	Aluminum conductors, steel reinforced	2,370	M
36505	Bare wire	Hard drawn copper wire strands	31,900	M
36512	Bare wire	Trolley wire	232,480	M
37309	Rectifier supplies	Uninterruptible AC power supply	3	Set
