【Rolling stock related goods】

No.	Category	Item Name	Quantity	Unit
11401	Railcar	Railcar	100	Car
12103	Bogie frame parts	Differential pressure valve of air spring	30	Piece
12109	Bogie frame parts	Oil damper	650	Piece
12110	Bogie frame parts	Automatic level controlling valve	4,400	Piece
12113	Bogie frame parts	Bogie	190	Set
12114	Bogie frame parts	Bogie frame parts	690,230	Piece
12123	Bogie frame parts	Torsion bar	20	Piece
12133	Bogie frame parts	Vibration control devices	80	Set
12134	Bogie frame parts	Vibration control device part	1,690	Piece
12199	Bogie frame parts	Other bogie frame parts	47,120	Piece
12202	Foundation brake supplies	Brake shoe	45,380	Piece
12207	Foundation brake supplies	Brake shoe lining	16,550	Piece
12209	Foundation brake supplies	Brake disk	3,340	Set
12210	Foundation brake supplies	Foundation brake rigging	670	Set
12299	Foundation brake supplies	Other foundation brake supplies	108,540	Piece
12301	Axle box supplies	Axle box	1,730	Set
12302	Axle box supplies	Axle box main body	40	Set
12303	Axle box supplies	Axle box parts	83,780	Piece
12399	Axle box supplies	Other axle box supplies	65,430	Piece
13101	Internal combustion railcar supplies	Engine	20	Set
13107	Internal combustion engine supplies	Super charger	8	Piece
13115	Internal combustion engine supplies	Cylinder head	100	Piece
13122	Internal combustion engine supplies	Fuel control device	1	Set
13181	Internal combustion engine supplies	Other internal combustion engine supplies	36,770	Piece
13203	Transmission supplies	Transmission	3	Unit
13281	Transmission supplies	Other transmission supplies	10,620	Piece
13301	Other internal combustion railcar supplies	Air cleaner	380	Piece
13305	Other internal combustion railcar supplies	Reduction gear	10	Set
13308	Other internal combustion railcar supplies	Blower	6	Piece

No.	Category	Item Name	Quantity	Unit
13310	Other internal combustion railcar supplies	Fuel oil tank	40	Piece
13312	Other internal combustion railcar supplies	Radiator	100	Piece
13313	Other internal combustion railcar supplies	Radiator core	180	Piece
13314	Other internal combustion railcar supplies	Water pump	30	Piece
13315	Other internal combustion railcar supplies	Internal combustion railcar parts	11,690	Piece
13381	Other internal combustion railcar supplies	Other internal combustion railcar supplies	62,470	Piece
14201	Wheelset supplies	Axle	1,510	Piece
14203	Wheelset supplies	Wheel	15,840	Piece
14205	Wheelset supplies	Wheelset	1,110	Set
14301	Gear unit supplies	Gear	20	Piece
14303	Gear unit supplies	Pinion	310	Piece
14306	Gear unit supplies	Gear case	50	Piece
14308	Gear unit supplies	Gear coupling	200	Set
14309	Gear unit supplies	Flexible coupling	330	Set
14399	Gear unit supplies	Other gear unit supplies	99,210	Piece
15107	Current collection control supplies	Main circuit equipment	230	Set
15108	Current collection control supplies	Main traction converter	190	Set
15115	Current collection control supplies	Speed detecting device	30	Piece
15116	Current collection control supplies	Monitoring equipment	340	Set
15117	Current collection control supplies	Monitoring equipment parts	140	Piece
15121	Current collection control supplies	Contact strip	28,700	Piece
15122	Current collection control supplies	Contact strip body	4,280	Piece
15123	Current collection control supplies	Pantograph	20	Set
15124	Current collection control supplies	Auxiliary contact strip	18,610	Piece
15125	Current collection control supplies	Carbon contact strip	35,200	Piece
15132	Current collection control supplies	Circuit-breaker	1,930	Piece
15133	Current collection control supplies	Vacuum circuit-breaker	30	Piece
15134	Current collection control supplies	Line breaker	110	Set
15135	Current collection control supplies	Track layout circuit-breaker	800	Piece
15138	Current collection control supplies	ATS control receiver	40	Piece
15139	Current collection control supplies	ATS control device parts	70	Piece

No.	Category	Item Name	Quantity	Unit
15140	Current collection control supplies	ATS control device	280	Set
15141	Current collection control supplies	ATC on board device	250	Set
15142	Current collection control supplies	ATC on board device parts	750	Set
15144	Current collection control supplies	Starting device	20	Piece
15146	Current collection control supplies	Main controller	10	Piece
15147	Current collection control supplies	Master controller	150	Piece
15148	Current collection control supplies	Voltage regulator	110	Piece
15151	Current collection control supplies	Brake pattern generator	7	Set
15152	Current collection control supplies	Door control unit	1	Piece
15154	Current collection control supplies	Contactless controll device	5	Set
15155	Current collection control supplies	Excitation equipment	40	Set
15158	Current collection control supplies	Emergency power supply	90	Set
15161	Current collection control supplies	Contactactor	60	Piece
15162	Current collection control supplies	Contact maker	5,580	Piece
15171	Current collection control supplies	Arrester	120	Piece
15174	Current collection control supplies	Automatic train operation device	80	Set
15181	Current collection control supplies	Thermal relay	370	Piece
15182	Current collection control supplies	Relay	15,720	Piece
15184	Current collection control supplies	Relay disk	130	Piece
15185	Current collection control supplies	Contactless relay	6	Piece
15187	Current collection control supplies	Railcar information management system	3,470	Piece
15188	Current collection control supplies	Information provision equipment	5,220	Set
15191	Current collection control supplies	Current collection control parts	216,670	Piece
15196	Current collection control supplies	Platform door device	740	Set
15199	Current collection control supplies	Other current collection control supplies	22,140	Piece
15202	Rotators	Ventilating fan	540	Piece
15203	Rotators	Fan	1,890	Piece
15205	Rotators	Generator	220	Piece
15208	Rotators	Traction motor	590	Piece
15209	Rotators	Motor generator	5	Piece
15212	Rotators	Electric fan	7	Piece

No.	Category	Item Name	Quantity	Unit
15219	Rotators	Other rotator	750	Piece
15222	Rotators	Rotator parts	104,930	Piece
15227	Rotators	Axle generator parts	1,000	Piece
15237	Rotators	Carbon brush	21,670	Piece
15238	Rotators	Generator parts	580	Piece
15240	Rotators	Deflecting plate	3,420	Piece
15243	Rotators	Brush holder	1,190	Piece
15302	Stationary induction apparatus, rectifiers	Main transformer	30	Set
15303	Stationary induction apparatus, rectifiers	Auxiliary transformer	1	Set
15304	Stationary induction apparatus, rectifiers	Main smoothing reactor	90	Set
15328	Stationary induction apparatus, rectifiers	Static converter	490	Set
15339	Stationary induction apparatus, rectifier	Other rectifier	60	Piece
15401	Resistor, condenser	Condenser	1,100	Piece
15402	Resistor, condenser	Condenser parts	100	Set
15403	Resistor, condenser	Resistance tube	10	Piece
15405	Resistor, condenser	Resistor parts	30	Piece
15503	Lighting supplies	Indoor lighting	1,470	Piece
15504	Lighting supplies	Fluorescent lighting	180	Piece
15505	Lighting supplies	Lightbulb	8,860	Piece
15506	Lighting supplies	Bulb socket	40	Piece
15507	Lighting supplies	Lighting parts	14,890	Piece
15512	Lighting supplies	Lighting for signs	180	Piece
15513	Lighting supplies	Lighting for indicator	860	Piece
15515	Lighting supplies	Head light	1	Piece
15516	Lighting supplies	Train destination signs	10	Piece

15518	Lighting supplies	Display	460	Piece
15599	Lighting supplies	Other lighting supplies	9,150	Piece
15602	General electric supplies	Low voltage switch	5,730	Piece
15611	General electric supplies	Insulator	200	Piece
15612	General electric supplies	High voltage insulation paste	2	Piece

No.	Category	Item Name	Quantity	Unit
15621	General electric supplies	High voltage fuse	290	Piece
15623	General electric supplies	Low voltage fuse	180	Piece
15631	General electric supplies	Jumper coupler	20	Piece
15641	General electric supplies	Crimp terminal	10,600	Piece
15642	General electric supplies	Connector	7,610	Piece
15645	General electric supplies	Terminal block	2,330	Piece
15647	General electric supplies	Common electric parts	187,490	Piece
15653	General electric supplies	Buzzer	200	Piece
15655	General electric supplies	Magnet valve	8,470	Piece
15662	General electric supplies	Announcement equipment	1,920	Set
15667	General electric supplies	Platform monitoring system	300	Set
15670	General electric supplies	Train security device	2,620	Set
15699	General electric supplies	Other general electric supplies	19,700	Piece
16001	Brake supplies for railcars	Pressure regulating valve	5	Piece
16002	Brake supplies for railcars	Safety valve	440	Piece
16003	Brake supplies for railcars	Anti-skid valve	520	Piece
16004	Brake supplies for railcars	Pneumatic pressure switch	50	Piece
16006	Brake supplies for railcars	Check valve	210	Piece
16009	Brake supplies for railcars	Automatic slack adjuster	1	Piece
16012	Brake supplies for railcars	Compressor	80	Set
16013	Brake supplies for railcars	Strainer	5	Piece
16017	Brake supplies for railcars	Relay valve	6	Piece
16019	Brake supplies for railcars	Magnet supply and discharge valve	20	Piece
16021	Brake supplies for railcars	Drain valve	10	Piece
16023	Brake supplies for railcars	Discharge valve	1	Piece
16024	Brake supplies for railcars	Brake cock	470	Piece
16025	Brake supplies for railcars	Brake cylinder	2,550	Piece
16026	Brake supplies for railcars	Brake control device	1,480	Set
16027	Brake supplies for railcars	Brake pressure regulating valve	4	Set
16041	Brake supplies for railcars	Brake parts	229,740	Piece
16071	Brake supplies for railcars	Straight air reserve brake	270	Set

No.	Category	Item Name	Quantity	Unit
16072	Brake supplies for railcars	relief brake	30	Set
16099	Brake supplies for railcars	Other brake supplies	124,240	Piece
17101	Carbody, power supplies	Curtain winding drum	10	Piece
17103	Carbody, power supplies	Seat cushioning	5	Set
17104	Carbody, power supplies	Carbody parts	61,810	Piece
17106	Carbody, power supplies	Car body shaped pressing	5	Piece
