East Japan Railway Company

Use Discount Passes with Suica!

- While discount passes such as the Tokyo Metropolitan District Pass (Tokunai Pass) have been sold only as magnetic tickets up until now, starting September 1, 2019, users will be able to use discount passes with their Suica cards.
- This will allow users to pass through automatic ticket gates fast with just one touch at stations covered by the pass, and transfers to stations outside the area covered by the pass will be automatically deducted from your charge balance, making for even smoother transfers.
- In addition to products currently on sale, such as the Tokyo Metropolitan District Pass (Tokunai Pass), we will also be releasing a new IC discount pass called the NONBIRI Holiday Suica Pass.

1. Eligible Suica Cards

My Suica (with personal information registered), Suica Card, Welcome Suica

*Ineligible Suica Cards

Suica Cards currently used as commuter passes, some Suica cards integrated with credit cards, Mobile Suica

2. IC Discount Passes For Sale

NONBIRI Holiday Suica Pass (New product)

Tokyo Metropolitan District Pass (Tokunai Pass), Yokohama-Minatomirai Pass, Kamakura-Enoshima Pass

*See attachment for details on each product.

3. Release Date

September 1, 2019

4. Where to Buy IC Discount Passes

At JR Ticket Offices (Midori-no-madoguchi), reserved seat ticket vending machines, multifunction ticket vending machines, and ticket vending machines at JR East Stations covered by the product

*Discount passes may also be applied to your current Suica

5. Refunds

- Refunds are limited to unused items still within the period of validity (cancellation charge is required).
- Refunds will not be issued for train suspensions or delays.

Details on IC Discount Passes For Sale

- When purchasing a new Suica, a ¥500 deposit will be charged separately. (Excludes Welcome Suica)
- Sales price may be subject to change due to revisions in consumer tax rates.
