

## JR-EAST ANNOUNCES THE OPENING OF LOS ANGELES OFFICE

**TOKYO, JAPAN, January 26, 2022** — East Japan Railway Company (JR-EAST) has announced today an opening of the Los Angeles office. Since JRE first announced its corporate vision “Move UP “ 2027<sup>1</sup>, the concept of Developing Businesses for the World has been one of its main pillars.

The launch of Los Angeles office will provide a local hub for promoting and creating an additional flow of Japan-bound tourism. The office also aims to strengthen relationships with tech firms throughout the area. Both tourism and tech activities will serve as a major boost in moving JRE’s business towards a bountiful future

### **Scheduled Opening Date**

March 1<sup>st</sup>, 2022

### **Location**

21250 Hawthorne Blvd., Suite 500, Torrance, CA 90503 United States of America

### **Business Focus**

- (1) Promotion hub for Japan-bound tourism
- (2) Liaison and innovation hub for strengthening relationships with tech firms
- (3) Market/trend search and analyses, etc.

### **Notice**

Upon the opening of the new Los Angeles office, our former New York office will be permanently closed.
