East Japan Railway Company

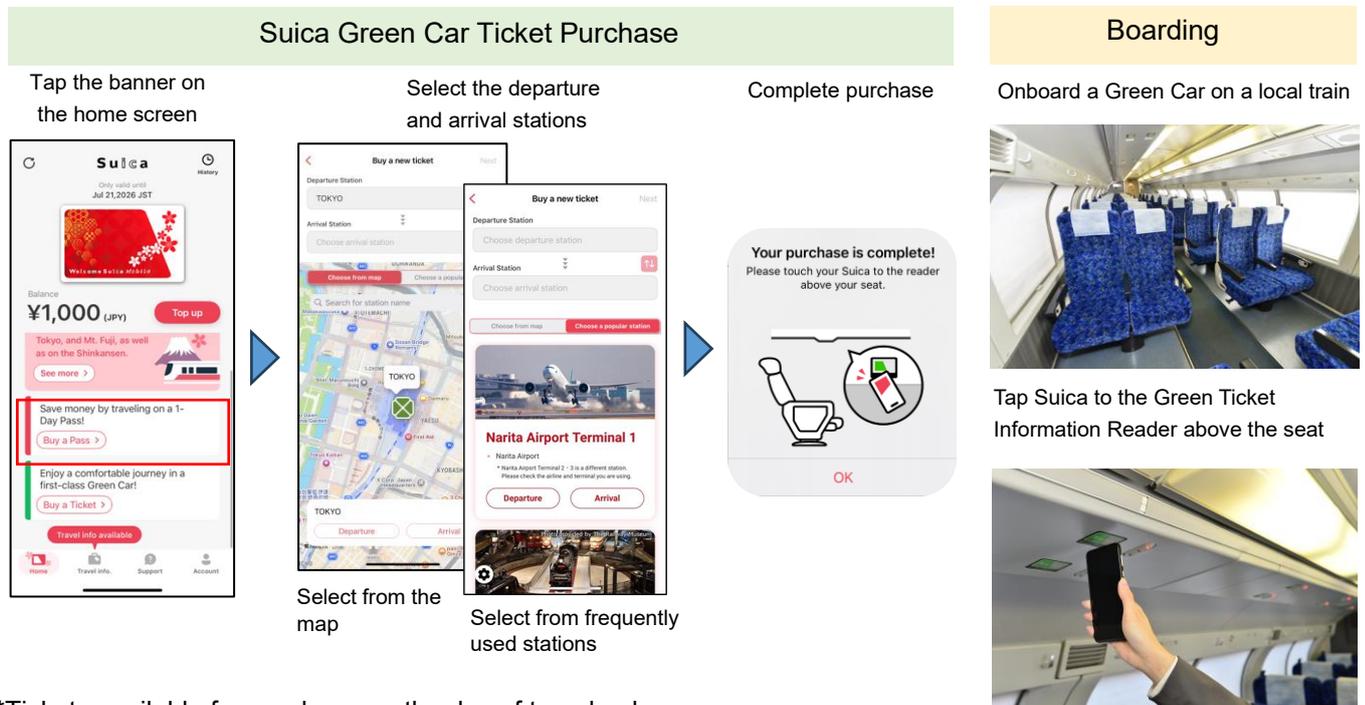

## Welcome Suica Mobile enhances the travel experience— Now compatible with Suica Green Car Tickets

- Under Suica Renaissance as set out in “To the Next Stage” 2024, JR East is working to enhance personalized customer touchpoints through digital transformation (DX) focused on Suica.
- From Sunday, March 1, 2026 a new feature will be available on Welcome Suica Mobile, allowing the purchase of Suica Green Car Tickets required for travel in Green Cars on local trains operating within the Tokyo metropolitan area. This addition further supports comfortable and seamless travel for inbound visitors.
- Going forward, we will continue to enhance Welcome Suica Mobile features to ensure inbound visitors experience both greater peace of mind and enjoyment during their time in Japan.

### 1. Feature Overview

Welcome Suica Mobile allows the purchase of Suica Green Car Tickets required for travel in Green Cars on local trains operating within the Tokyo metropolitan area.

## 2. Feature Launch Date and Time

Sunday, March 1, 2026, approx. 10:00 AM JST (tent.)

\*App installation/update required.

## 3. Overview of Green Cars on Local Trains

For further information about Green Cars on local trains:

[Green Cars on Local Trains: JR EAST](#)

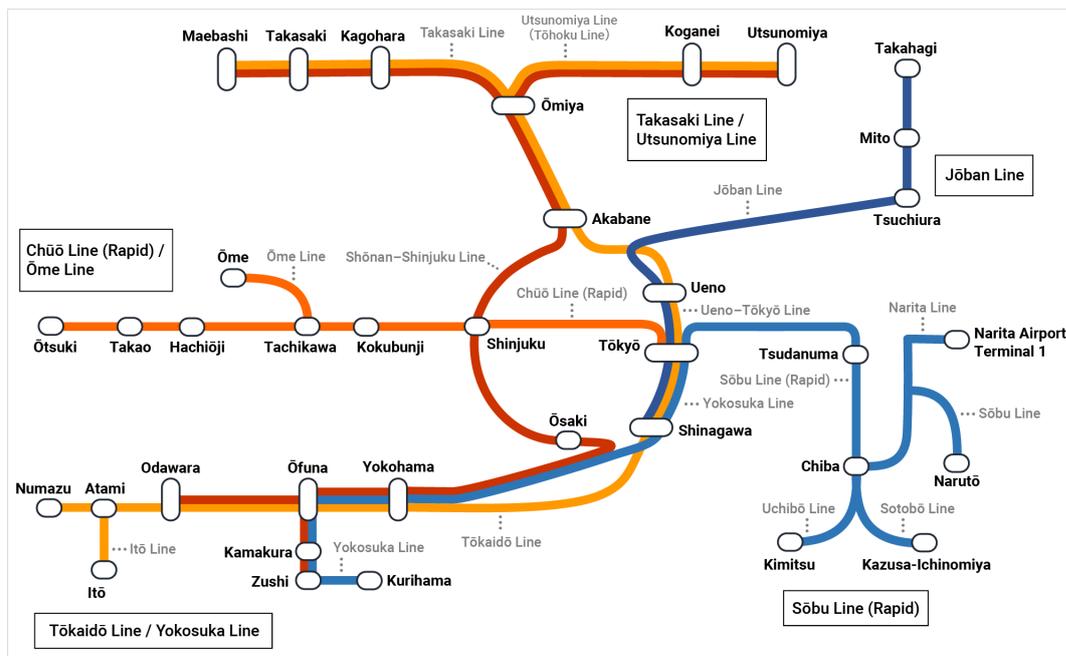

### (1) Facilities

Green Cars on local trains are a paid service offering spacious seats and a relaxing atmosphere. The trains have reclining seats and tables, and some also offer free Wi-Fi and power outlets, ensuring more comfortable travel.

### (2) Service Area

Green Car service is offered on local (rapid) trains on the Tōkaidō, Yokosuka, Chūō (Rapid), Ōme, Takasaki, Utsunomiya, Jōban, Sōbu (Rapid), Shōnan–Shinjuku and Ueno-Tokyo lines.

\*Green Cars on local trains are non-reserved seats only.

\*Some trains operate without Green Cars.

\*Green Car Tickets for departures or arrivals at Kannami, Mishima or Numazu Stations (on the Tōkaidō Line) are not available for purchase on Welcome Suica Mobile.

(3) Fares

The following surcharges in addition to the basic fare are required for travel in Green Cars on local trains. For purchase on Welcome Suica Mobile, the Suica Green Car Ticket prices below are applied—a discount compared to paper tickets.

Ticket Type / Distance	Suica Green Car Ticket	Paper Green Car Ticket
Up to 50 km	¥750	¥1,010
Up to 100 km	¥1,000	¥1,260
101 km and over	¥1,550	¥1,810

\*Green Car Ticket required to board, even if standing in the aisle or on the deck. If the Green Car is at capacity, passengers who move to a regular car may receive a certificate. Ask the Green Car attendant for further information.

\*Paper ticket fares apply for purchase of Green Car Ticket at the station or on the train.

(4) Boarding

Purchase a Suica Green Car Ticket on Welcome Suica Mobile prior to boarding. Once on board, tap the ticket to the Green Ticket Information Reader above the seat to skip onboard ticket checks, ensuring more comfortable travel to the destination.
