

Announcement: Suspension of services on Ōme Line

2020

11-28(Sat.)

From around **21:00**

2020

11-29(Sun.)

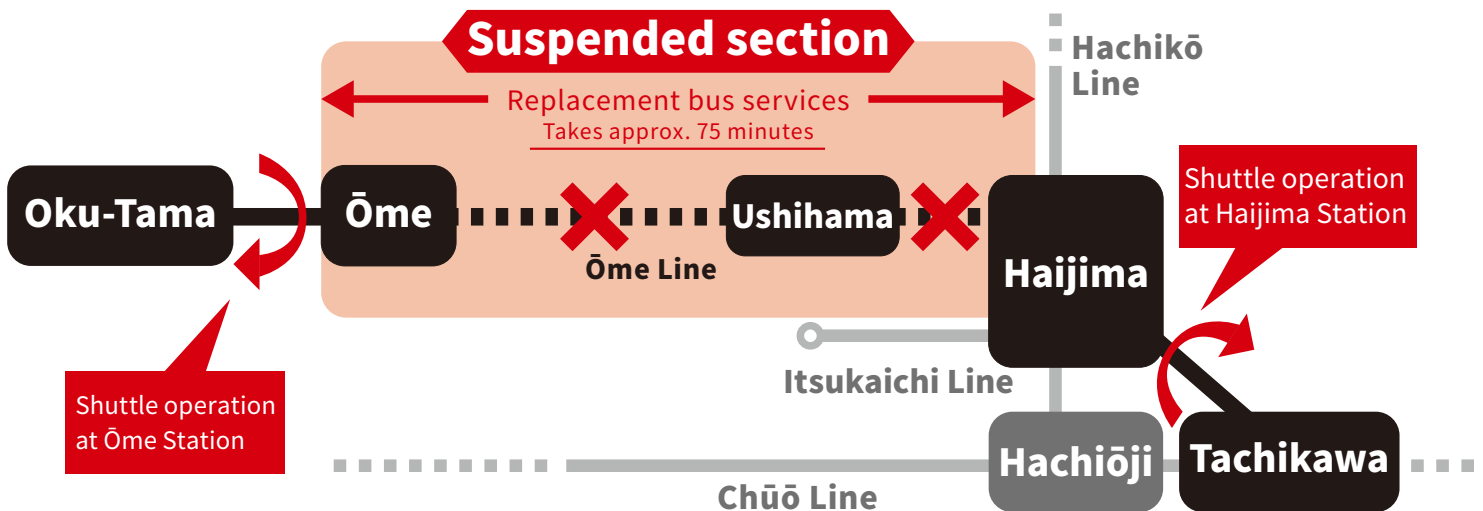

Until around **6:40**

*In the event of bad weather, **Fallback date** 2021-2-6 (Sat.)-2-7 (Sun.)

All trains between Haijima and Ōme will be suspended

due to **line switching works at Ushihama Station** to enable the start of Green Car (first class car) services for rapid trains on the Chūō Line and other lines by the end of 2023. **Please avoid this period of suspended service when traveling by rail.**

Replacement bus services will be in operation for suspended rail sections, but operating intervals and transport times for replacement bus services may require more time due to road conditions, transfer times, and passenger crowding, etc. Please allow extra time when using replacement buses.

Please note that we will not transfer passengers to train stations operated by other railway companies.

Special handling of tickets, etc. during suspension of services

Passengers may use any tickets arriving at or departing Ushihama Station on the Ōme Line to instead board and exit at Kumagawa Station on the Itsukaichi Line.
Passengers may use any tickets arriving at or departing Fussa Station on the Ōme Line to instead board and exit at Higashi-Fussa Station on the Hachikō Line.

About use of replacement bus services

- To use replacement bus services, you will need a fare ticket, commutation ticket, commuter pass (including magnetic commuter pass, Suica commuter pass, Mobile Suica commuter pass), or similar ticket.
- Charge on IC cards, such as Suica cards, Suica commuter passes, or Mobile Suica, cannot be used to transfer to replacement bus services. **Please purchase a ticket in advance for the section in which you are going to travel.**

To help prevent the spread of coronavirus, please comply with infectious disease control measures, such as wearing a mask.

We apologize for any inconvenience. Your understanding and cooperation are appreciated.
