A photograph of various art materials laid out on a grey surface. In the upper left, a pair of black-handled scissors with silver blades is visible. Several long, thin strips of light-colored bamboo or wood are arranged diagonally. A roll of fabric with alternating blue and white vertical stripes is partially unrolled. A roll of plain olive-green fabric is also visible. Two red and white price tags are attached to the fabric rolls; one shows '¥1,380' and the other '¥1,280'.
