

# Transfer to the Yamagata Shinkansen at Fukushima Station

- The Yamagata Shinkansen Tsubasa departs and arrives at platform 14.
  - Yamabiko and Tsubasa trains with the same number will wait for passengers to transfer before departing.
  - There are three types of Yamabiko trains:17-car,10-car,and 7-car. For details, please check the timetable on the JR East website.
- ※ Some of the 17-car Yamabiko trains have designated seats in cars 11 to 17.

## 【For Yamagata/Shinjo】

### Transfer from the Tohoku Shinkansen to the Yamagata Shinkansen

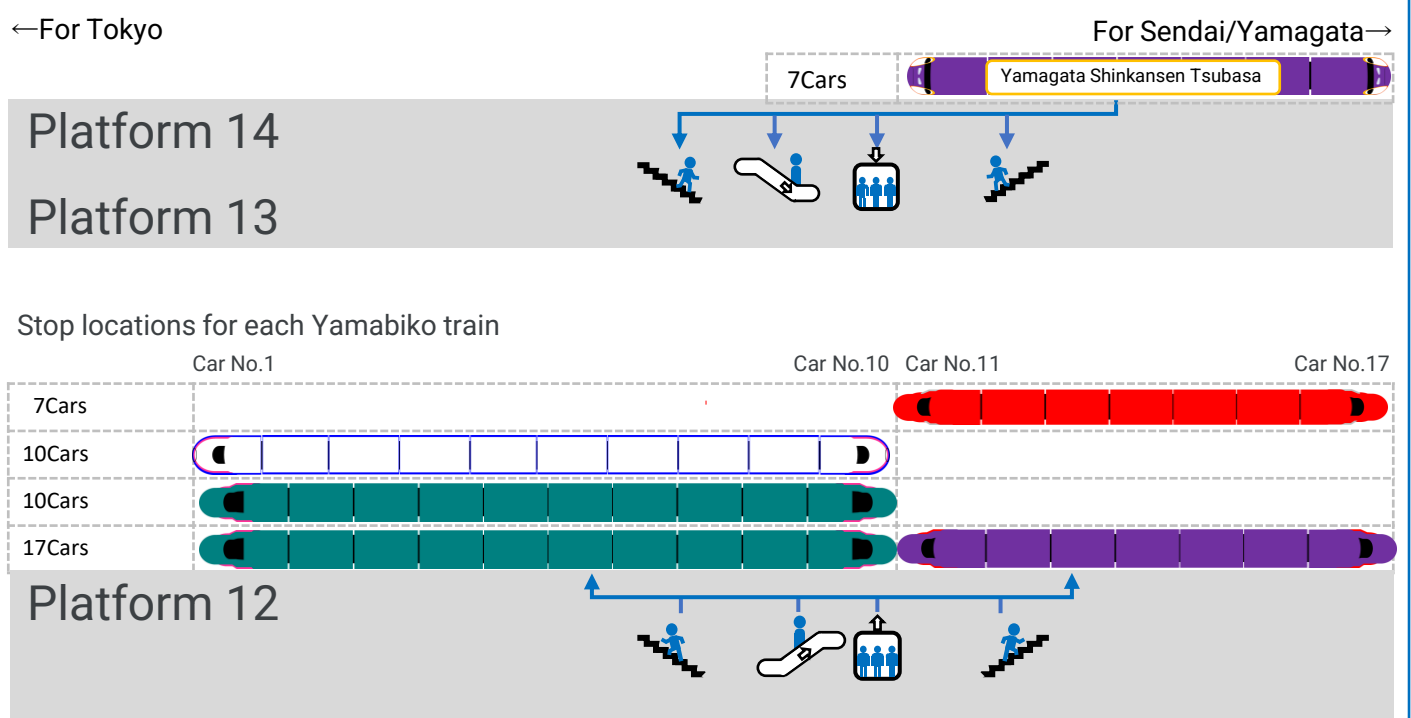

- The Tsubasa departs from the end of platform 14.
- If the Yamabiko train has 17 cars, it is most convenient to transfer from the front cars.

## 【For Tokyo】

### Transfer from the Yamagata Shinkansen to the Tohoku Shinkansen

- After arriving at Platform 14, take the stairs, escalator or elevator down to the 2nd floor concourse and proceed to Platform 12.
- ※Tsubasa122 arrives at the conventional line platform, so please proceed to platform 12 via the concourse. (Until Friday, July 18th)
